If China stays with her Russian full general assembly, probably toclear the way for approval by the ally and overlord the West is in for years of trouble. Unless - and history suggests this is possibleto pick up two or votes by then drags Soviet Russia down to dis-

Paperhanging, ◆Painting Classes to Be Held Here

James H. Jones, Superintendent i of local schools announced today offices committee to consist of Asthat a night class in Painting and sembly President Nasrollah Ente-Paperhanging will begin in the local school March 1, 1951. This course is approved for veterans 4. Calls on the Peiping regime under the G. I. Bill.

The class will meet four nights forces from Korea and to stop per week and is on a half time fighting U. N. forces basis. This is the first time that 5 Affirms the determination of such a course has been offered for the U N to continue its action veterans here and the schedule is in Korea to meet the aggression arranged so that veterans who are 6. Calls upon all states and auemployed full time can get half- thorities not to help the aggrestime training at night.

It was also announced that vacancies exist in all the presently organized classes. Students may now be enrolled in the full time course in carpentry and masonery and the quarter time courses of Business

Administration, Electricity, Radio and Carpentry. Courses at Yerger High school that now have vacancies are Carpentry, Masonery and Electricity. The Veterans Administration has

ruled that most veterans must begin training on or before July 25, 1951. Those who are not in training yesterday amended the adminis-on that date will have lost all tration-sponsored bill (HB112) to training benefits.

The local school will make an ef-The local school will make an elfort to satisfy the needs of all who
want training. Those who want to
enter or those who want further information should contact John

Convinced of **Need for** 18-Year-Olds

Washington, Jan 31 -(AP)- Senaor Lyndon Johnson appeared convinced today that at least a limited draft of 18-year-olds is necesary to guarantee the nation's swelling milit'ary — manpower

needs. As the armed services subcommittee he heads wound up four weeks of public hearings, the Texas Democrat also indicated he is willing to call up non-veteran childless husbands in the present 19 through 25 draft bracket and that he favors a long-term military service program.

The senate subcommittee and the house armed services committee have both been conducting hearings on the defense department's, proposal for a universal military service and training (MUST) bill. This would drop the draft age to 18, extend service from the present 21 to 27 months. and institute a long-range military service plan.

The house armed services committee scheduled further hearings

Director Lewis B. Hershey back to the stand today.

The senate subcommittee called a meeting to decide whether additional testimony is necessary be fore it begins closed meetings at which it will write its own version old friend, but she has given everyof the proposed MUST law.

Meanwhile, selective service spokesmen in Iowa and Illinois disclosed they already are calling up recently married men, Col. Ralph Lancaster, state selective service director in Iowa, told a reporter 1, last year, could be drafted. Only

childless husbands are being taken, he said. The chairman of one lowa board said he expected about half the board's Feburary quota of 66 to be filled by recently married men.

In Chicago, a spokesman for the Illinois selective service said men from young people who are in love married after the start of the Korean war had been inducted in Il- are putting off their wedding day linois "for some time." Twenty Aged **Pensioners** Die in Blaze

Hoquiam, Wash, Jan. 31 - A Twenty old age penaloners perished in a flash fire that coared through rambling frame rest home yesterday noon, and two more were near death early today.

The blaze apparently leaped from basement clothes drying room to the second floor while the 30 aged residents of the home, many too ill and feeble tomove, lay in their beds awaiting lunch.

Fourteen were trapped in the flames and sufficiting smoke that licked and billowed up stairways and air vents to oncompass the rear of the building and its second floor, and leave it a charted shell. Firemen and volunteers helped 16

others escape the building, Six of those rescued died later, five from burns and one from a heart attack. Police Lieut, C. A Potter and Fire Chief Glenn W Hancy agreed that the fire probably started in a small sheet-metal stove in the dryng room, and not in the furnace in an adjoining basement room At first it was believed the furnace had exploded, as a blast was heard when the blaze struck. Later investigation showed the furnace to oe virtually intact,

Operator of the McClary Convaescent home was Mrs. Harriet Mclary. She sald:

"All of a sudden it sounded like an explosion at the rear of the building and the whole back end was enveloped in black a moke. Probably the furnace blow up. 1

hit by the strike. One steel company in Chicago laid of 1,800 workers An embargo on freight was declared by some of the car-

The department of justice in Washington was watching develop ments in the strike and might move today in an attempt to end

A spokesman for the army, which has been running the nation's carriers since last August said an injunction issued in Chieago feder-al court when the switchmen staged a similar trike, still is in effect. The injunction was designed to prohibit such a strike. The army took over the lines to halt a planned strike of rainmen and conductors

The number of switchmen who quit work yesterday was not determined. The yard workers have tion whether they would cover such been involved in a dispute over wages and hours with the carriers for several months.
